Don't Push The Button

Summary: In this fun interactive book we get to meet Larry. In Larry's book there is only one rule— don't push the button! But we want to touch it so badly. The first time we touch the button Larry's colour changes from purple to yellow. And when we touch it multiple times it creates lots of Larry's. Then we have to shake the book to get all the Larry's out so there's only one Larry again. 在这本有趣的互动书中，我们结识了拉里。在拉里的书中，只有一条规则-不要按按钮！但是，我们希望如此严重地触摸它。我们第一次触摸按钮时，拉里的颜色从紫色变为黄色。当我们多次触摸它时，会产生很多拉里的。然后，我们必须动摇书才能将所有的拉里都拿出来，所以只有一个拉里了。
