

Online Novel Study Classes

(55 Minute Classes, Grades 1-7)

About

Welcome to our novel study program where we read and analyze chapter books! In small classes of 3, students expressively read aloud, engage in class discussions, and complete various writing exercises related to their novels. We develop fundamental skills necessary for proficient reading and writing.

Importance of Guided Reading:

Guided reading is reading out loud to an adult with feedback. This helps students:

- Slow down while reading and improve attention to detail.
- Build fluency and reading expression.
- Expand vocabulary knowledge as teachers explain uncommon words.
- Develop reading comprehension skills by making predictions and discussing throughout.

Class Activities

- Writing Summaries
- Quote Analysis
- Character Study
- Comprehension Questions
- Rewriting the Ending
- Plot Diagrams
- Designing Book Covers *and more!*
