# Goodnight Little Monster

**Summary:** Little Monster is getting ready for bed and takes us through his bedtime routine. First, he goes out on the porch and howls at the moon. Then he jumps into the bathtub to scrub himself clean and mom picks the bugs off his cute furry ears. He dries off with a towel and pulls on his PJs. Next, they have a snack before bed: worm juice and baked beetle bread. He brushes his fangs and flosses between. They choose a book to cuddle and read. They check under the bed, no scary children here, then he settles down for a kiss and a hug. Don't forget the nightlight, that helps a lot! Goodnight Little Monster, with Mama nearby you'll be safe through the night. 小调皮准备睡觉了, 我们一群经历一下它的睡前工作吧。首先, 它走出门廊, 对着月亮吼两声。然后跳进浴缸擦洗自己, 妈妈帮它摘取毛茸茸耳朵上的虫子, 它用毛巾擦干身体, 穿上睡衣。接下来, 开始吃点睡前点心: 蠕虫汁和烤甲虫面包。吃完刷牙, 用牙线清理。然后它选了本书和妈妈搂在一起阅读。入睡前它们检查床底下确定安全, 然后相拥接吻。记得开夜灯, 它让我不害怕! 晚安小调皮, 有妈妈在身边, 你会安全度过一夜。
