# Michael Jordan on Living Passionately in the Moment

## Lesson 2

Below is part of a speech Michael Jordan gave about living passionately in the moment. Fill in the blanks to complete the speech. There is a word bank below to help you!

It's an amazing thing about \_\_\_\_\_. If you love something, if you have a strong passion for something, you would go to the \_\_\_\_\_ to try to understand or try to get it. Whatever you have a \_\_\_\_\_ for, if you have to walk, you would go get it. If you have to beg someone, you'll go get it. No one knows how much \_\_\_\_\_ we have. That's why we must live in the \_\_\_\_\_. We must \_\_\_\_\_ the moment. We must \_\_\_\_\_ and see, and spend as much time as we can with our \_\_\_\_\_ and friends, and the people that we absolutely love.
